

JCBS DONOR PROGRAM

The JCBS Donor Program offers individuals and organizations the opportunity to support our mission through financial contributions. By joining our donor program, supporters can make one-time or recurring donations, receive regular updates on the impact of their contributions, and enjoy special benefits such as recognition in publications, invitations to exclusive events, and opportunities to engage more deeply with the organization.

Every gift, regardless of size, helps sustain JCBS's work, driving positive change and empowering us to continue serving our community and cause.

All donations through the JCBS Donor Program are eligible for a charitable tax receipt for the total amount of the donation.
