

# **WARDROBE REQUIREMENTS**

## **FOR ALL JEUNESSE DANCERS – NUTCRACKER**

**TIGHTS:** Capezio Convertible Foot – Style 1816 or 1816C Ballet Pink **\*(2 Pairs)\***

**BODYSUIT:** (Older Dancers) Flesh toned bodysuit with clear straps. (GILDA MARX brand).

(Younger Dancers) Flesh tones bodysuit with clear straps, if possible. Smaller dancers that do not fit in the Gilda Marx may wear any brand of flesh toned suit.

\*(Male Dancers) required to wear a dance belt as undergarments (available at dance supply stores).

***NOTE: MICE, MINI CHINESE, MINI SPANISH do not require a nude colored bodysuit. A light colored bodysuit will be required under the costume (for privacy).***

**SOFT BALLETT SLIPPERS:** Some dancers will require canvas **split sole** ballet slippers with pink elastics and others will require pink leather ballet slippers. Shoes must be **clean** with no holes and no black marks.

**POINTE SHOES:** all pointe shoes for dress rehearsals and performances **MUST** be very clean, performance quality shoes with no shredded satin on the toes, pancaked and have **FREED** pointe shoe ribbon attached. Please ensure that you have an adequate supply of pointe shoes for the entire **NUTCRACKER** Season. As shoes and ribbon can be in short supply at this time of year, order enough, now, so there are no **POINTE SHOE EMERGENCIES**. Pointe shoes last longer when you allow 48 hours of drying time between wearing, so using 2 or more pairs and rotating them gives you more usable dance time per pair of shoes.

**DEODORANT AND ANTI-PERSPIRANT:** ALL dancers **MUST** wear clear and stain resistant deodorant/anti-perspirant during all rehearsals and shows. This is to protect the costumes.
