The Jeunesse Classique Ballet Society is pleased to announce that we will be presenting our 30th production of “The Nutcracker”, featuring Jaciel Gomez, former Principal Dancer of both the Cuban National Ballet and the Alberta Ballet. “The Nutcracker” is a wonderful tradition and a great way to begin the holiday season. Dancers from Calgary and Edmonton are already rehearsing for this classical production to celebrate our 30th season!

This year, there will be a total of eight performances- four shows between November 24th and 26th at the Meyer Horowitz Theatre in Edmonton, and four at the University of Calgary Theatre between December 8th and 10th.

As we are a non-profit charitable organization, we depend on our generous sponsors to offset the cost of the program. We encourage you to consider advertising in our Nutcracker Program. Your sponsorship provides JCBS with much-needed support while increasing exposure and potential opportunities for your business! Program distribution potential is approximately 3700 and is ideal for businesses interested in targeting families for products and services. Our past sponsors have included restaurants, dentistry, medical offices, financial services, photography and businesses related to children’s programs and products.

If interested, please contact me at the e-mail address below and forward your advertisement to **Eva Ristic** at eva@orangemagnetic.com. Please see the following page for an outline of the ad size and artwork specifications.
